

Putting Inquiry Into Practice

A PROFESSIONAL GROWTH SERIES

This series is designed for teachers committed to inquiry-based instruction who are seeking to deepen their instructional practice in community with like-minded educators.

Each session will focus on a different aspect of an inquiry-based classroom and provide ample opportunities for teachers to collaborate on enhancing their materials and instruction.

DATES

MONDAY - OCT 1, 2018

THURSDAY - NOV 8, 2018

THURSDAY - DEC 6, 2018

THURSDAY - JAN 17, 2019

THURSDAY - FEB 28, 2019

Email info@mathsense.us with subject line "Registration" to register provisionally and to receive instructions on submitting payment.

How Will Participants Collaborate?

Participants will...

- Reflect on individual teaching practice
- Critique inquiry-based tasks
- Discuss pedagogy and curriculum supportive of inquiry
- Analyze student work samples
- Provide and receive feedback on videos of lessons

Who Should Attend?

- Attendees of previous MathSense workshops

About Your Facilitators

Allyson Rohrbach and Amy Hand have nearly thirty years of combined experience as math educators and school administrators in public, charter and private schools in New York and California. They believe that math education is most effective when students are engaged in problem-solving, sense-making, and inquiry.
